FOIA FEE WAIVER:

The Adams Morgan Plaza at 18th and Columbia Road NW has served the public for nearly fifty years and was won as a public easement in 1976 in an agreement with the bank owner as a form of reparations for redlining the Adams Morgan community. The subsequent bank owner, Truist bank, is trying to build an unaffordable new 50+ unit condo project on the Adams Morgan plaza and on the rest of the site. The public controversy about the destruction of this public easement plaza is of serious public interest and impacts our community and our 18,000 residents, and will have a permanent and lasting adverse impact on the built environment affecting the public quality of life.

We are writing this FOIA request on behalf of Adams Morgan for Reasonable Development (www.fb.me/admoplaza), which is an all-volunteer all-donation-based unincorporated non-profit citizens association. We are seeking the above public information in the public interest because it is likely to contribute significantly to the public understanding of the activities and information used to make final determinations about the existing and future fate of the Adams Morgan Plaza.

We are willing to pay fees for this request up to a maximum of \$50.00.

CONCLUSION

Thank you for your consideration of this request.

Sincerely,

Kristin Adair, Eric Blodnikar, Cynthia Pols, Ren Thomas
